Please fill out this form for requests concerning work that needs to be completed on items currently under warranty in accordance with the Building Performance Guidelines booklet.

Feel free to email your service request to lori@howardhomesinc.com

Howard Homes, Inc. would be happy to perform any maintenance items you may need at the time we are completing your 1 year service work. We will charge a special labor rate of $65 per hour and any materials that would be needed should you decide to utilize our service person. Please let us know if this is something you desire so we can schedule your service day accordingly.
